

*“As the executive director of the Autism Foundation of New York, I hear many speakers and speeches. I found Mr. Raun K. Kaufman to be very personable and dynamic. He captured the audience’s interest and held it for the entire lecture. He is truly inspirational and very motivating. I urge everybody to take the opportunity to hear Mr. Kaufman speak whenever they can.”*

—Mr. Sandy Levine, Executive Director, Autism Foundation of New York

*“Raun K. Kaufman’s ability to connect with an audience is outstanding. His riveting and scholarly presentation on autism reflects compassion born from his personal experience.”*

—Annabel Stehli, President, The Georgiana Institute, Inc., Author,  
*The Sound of a Miracle: A Child’s Triumph over Autism*

*“It is always a treat to hear such a dynamic and engaging speaker. Raun’s passion and hope for persons challenged with autism came through in every word he spoke. His ideas truly are focused on helping people achieve their highest potential.”*

—Mark H. Yeager, Ph.D., President, TEAAM (Together Enhancing Autism Awareness in Mississippi)

*“Excellent. Raun is one of the best I’ve heard in my 26 years at NASA Goddard.”*

—Claire Parkinson, Scientist, NASA Goddard Space Flight Center, Maryland

*“The most interesting lecture I have ever attended, even after studying ABA in Behavioural Studies and Philosophy. Raun is down to earth, humorous, intelligent and heroic. He actually managed to hold my attention for the entire 2 hours—very rare!”*

—Georgina Labb, Child Facilitator, Australia

*“The most exciting approach I have learned since beginning my work with children and young people with autism. Raun is an inspirational presenter with great warmth, tremendous knowledge and experience.”*

—Jean Mockford, Teacher for Children with Special Needs, United Kingdom

*“Raun is the most outstanding teacher I have ever encountered. Truly exceptional. Raun has such enthusiasm—it radiates from him.”*

—Hilary Farmer, Dyslexia Educational Consultant, England

*“Raun gives practical advice on how to improve interaction with your child regardless of their current level of functioning. He is an inspiration to parents and people who care for autistic children.”*

—Karen Bowles, ABA Lovaas Tutor, United Kingdom

*“Even if your child does not have autism—GO. This lecture teaches skills for ALL parents and child care workers.”*

—Debbie Shah, Dyslexia Consultant, Kenya

*“The only time since the diagnosis that I feel that there is a future for my son.”*

—Ursula Coskin, Mother, United Kingdom
